What's New in Blackboard?

New changes are coming to Blackboard. To prepare users, this documentation shows changes users will see. Also, see Running Item Analysis on Test for an important new feature. For more information, contact the UTHSC Blackboard Team at 901-448-1927 or bb@uthsc.edu.

Changes in the splash page

1. The left image is the current instance of Blackboard: where user information and the logout tab are displayed.
2. The right image is the new instance of Blackboard: the same information is condensed on the right-hand side with a drop-down tab and the logout icon beside it. As a reminder, the Help link takes users to the campus Blackboard knowledge page, and the Home link takes users to the Blackboard homepage at courses.uthsc.edu.
1. The top image is the current instance of Blackboard: where users have all view options presented, as well as the "Jump To" tab.
2. The bottom image is the new instance of Blackboard: users access all view options by clicking on the "Jump To" tab.
