

Understanding the Course Menu Buttons

The **Course Menu** in Blackboard is located on the left side of the screen when inside of a course. It is the primary means of navigation through the course.

Course Menu Buttons

2. This button will display the course menu in **List** view (default).
3. This button will display the course menu in **Detail** (tree-like) view.
4. This button will launch the left frame (**Course Menu** and **Control Panel**) in a new window.
5. This icon will **Refresh** the entire page to update any changes in the menu.

6. The double-arrow icon is used for drag-and-drop rearranging of course menu items.
7. This button allows you to hide/reveal the entire left panel (which includes **Course Menu** and **Control Panel**).
8. This is the **Action Menu** button.
9. These button are only visible in Edit Mode (top, right corner). Buttons used to drag-and-drop course menu items for rearrangement.
10. This button allows you to collapse/expand the **Course Menu**.
